Honorable Mark Bennett  
Attorney General  
Department of the Attorney General  
State of Hawaii  
Honolulu, Hawaii 96813

Dear Mr. Bennett:

**Memorandum of Agreement for the  
FY 2010 Homeland Security Grant Program**

The State of Hawaii has been awarded the FY 2010 Homeland Security Grant Program (HSGP) funds from the Department of Homeland Security, Federal Emergency Management Agency, Preparedness Directorate Grants and Training.

The FY 2010 HSGP funds are provided to prevent, deter, respond to, and recover from threats and incidents of terrorism. The FY 2010 HSGP supports the Department of the Attorney General in leveraging funding to support Homeland Security initiatives.

This grant is a result of congressional funding for the purchase of specialized equipment to enhance the capability of State and county agencies to prevent and respond to incidents of terrorism but also supports "all hazards" catastrophic preparedness initiatives.

The FY 2010 HSGP funding is distributed by program dollars and investment. The investment is a "collage" of program and capability reviews submitted by the Department of the Attorney General during the application period.

A copy of investments that the Department of the Attorney General is authorized to allocate funds is attached with the Memorandum of Agreement. While the Homeland Security funding continues to focus on terrorism, the support for "all-hazards" catastrophic preparedness is encouraged. The performance period for the grant is August 1, 2010, through July 31, 2013.

The Department of the Attorney General is the recipient of \$160,000.00. The grant funds are distributed in the programs as shown below and with Enclosure 1.

Honorable Mark Bennett

Department of the Attorney General State Homeland Security Grant Program Funding	
Program	Funding Allocation
State and Regional Law Enforcement Operations	\$160,000.00
Total	\$160,000.00

The FY 2010 HSGP continues to provide the Department of the Attorney General with funding for planning, equipment, training, and exercises to support emergency preparedness, prevention, response, and recovery.

All funds will be identified in a Detailed Budget Worksheet (DBW) and recorded in an Initial Strategy Implementation Plan (ISIP) that identifies expenditures and portrays the use of the FY 2010 HSGP funds provided to the Department of the Attorney General.

Closeout of the FY 2010 HSGP begins at award. Based on the original performance period of the grant, the encumbrance date for the FY 2010 HSGP funds is December 31, 2012.

The terms and conditions of the grant programs and the funds being distributed for each investment for the Department of the Attorney General and programs are in the attached Articles (Enclosure 1). If you agree with the Articles for the grant programs, please sign and return one set of the original Articles to SCD before October 22, 2010. The original set of the Articles will be provided after signatures are completed.

Thank you for your cooperation in expediting this initiative. If you should have questions, please have your staff contact Ms. Dolores Cook, State Civil Defense, at 733-4300, extension 819, or email at [dcook@scd.hawaii.gov](mailto:dcook@scd.hawaii.gov).

Alvin Sunahara  
Department of Information Technology  
Honolulu Municipal Building, 6<sup>th</sup> Floor  
650 South King Street  
Honolulu, Hawaii 96813

Dear Mr. Sunahara:

The City and County of Honolulu has purchased and installed an Enhanced Digital Access Communications Systems (EDACS) manufactured by M/A-COM, Inc., now known as Harris Corporation. This system provides the critical Public Safety and Public Service communications for the agencies throughout the island of Oahu Hawaii.

At this time, EDACS equipment for this system falls under Harris Corporation intellectual property rights and the proprietary protocols represent a patent, copyright or secret process and are, therefore, currently only available from the manufacturer, Harris Corporation.

Dailey and Wells Communications, Inc. is the only authorized Harris Corporation Network Solutions Provider (NSP) to provide system sales and service support to this system and all agencies operating on this communications system. This assignment was made effective September 2002 and does not have an end date. If this status should change at some point in the future you will be notified by Harris Corporation in writing. Orders for Harris Corporation equipment, service and associated accessories should be placed through Dailey and Wells Communications, Inc.

Thank you for your attention in this matter. Harris Corporation and Dailey and Wells Communications, Inc. look forward to the opportunity to continue the service and sales support of Harris Communications Systems throughout your area.

Sincerely,

Brian Beatty  
Manager Indirect Sales, Harris Corporation
